

## **Mortlach School**

submitted by Noreen Alexander, Library Associate

Enclosed are pictures taken during education week when we organized reading buddies for the entire k-12 group and hosted an author visit. There are also pictures of our k-2 class posing with one of the decorated bulletin boards.

*(Note: Unfortunately we cannot publish many of Mortlach's pictures. The Willow Awards requires photo releases for identifiable students. A release may be downloaded from the Forms page.)*
